

District Digest – Feb 3

To Club Presidents

Please bring these items to the attention of Rotarians in District 5020

**PETS** – We still have a dozen club presidents-elect to register and then we shall have every club represented. Go to <http://www.pnwrotarypets.org/> to register , and if you are registered make certain that your check/cheque has been submitted.

**District Directory** – Go to <http://directory.rotary5020.org/clublist.php> on the district website to enter your club officers for 2008-2009. Your current secretary and president have access and enter information in “Edit Exec 2008-2009”. If you need help, send a note to our Webmaster, Don Bonner, [sales@nisa.com](mailto:sales@nisa.com)

**Sponsor a RYLA student this Rotary year** - Rotary Club and participating student information can be found on website <http://www.rylanw.org/index.htm> . Rotary Youth Leadership Award is an excellent experience for young people and all clubs are encouraged to sponsor one or more participants. The 2008 program runs from March 6 to 9 at Pacific Lutheran University WA. For students traveling from Vancouver Island, a charter bus will run from Campbell River to the Coho Ferry and charter bus transportation in Port Angeles will take students to Pacific Lutheran University near Tacoma WA. Rotary clubs sponsoring students on Vancouver Island will be assessed \$70 per RYLA participant to cover, with the district, all student transportation costs.

**DLTA Program** – information is now on the district website. Follow the links from “District Assembly” in the front page menu. Registration and Booking Information can be found online.

**District Conference** – is scheduled for May 30 to June 1st at Oceanside Place in Parksville-Qualicum Beach. It’s called “Share the Celebration” for it will be just that –

A celebration of another great Rotary year! Mark it on your calendar today.

**PR Day in Our District** - Make a club plan now to celebrate Rotary Service on April 26, 2008. This is the day when we will have every club in District 5020 out in the community to show “Rotarians at Work in Service”. Our PR Chair, Pat McCauley, is distributing PR material to every club to assist with advance publicity. Make it a fun day ... wear “Rotarians at Work” shirts and put up a banner. Tell the public about Rotary and all you do for humanitarian service.
