

FOUNDATION TALK - SUNDAY, JANUARY 6, 2008

happy new year

Hello everyone:

Welcome to Foundation Talk for January 6th, 2008 - the start of a new calendar year and the start of the second half of the Rotary year!

December 31st Foundation figures are not available as yet but I encourage you to be on the lookout for them - I hope you are as excited about seeing the totals as I am as I am sure we will be well on the way to reaching Governor Norm's goal of \$650,000. That is, if all of our clubs sent in their contributions before the end of December!

Club Foundation Chairs and Area Foundation

Representatives should be looking at the figures vs the goals of each club or clubs and determining if action needs to be taken to ensure the goal(s) are reached. As with any Action Plan, it should be reviewed periodically and changes made to ensure the outcome is a desirable one vs plans made at the beginning of the year.

January is Rotary Awareness Month and that includes awareness of our Foundation ~ let's get out of the starting gate for 2008 and ensure all of our members, new and old, are informed about the good that our Foundation does in our communities and around the world and why we should all be making our Foundation one of our charities of choice.

Best wishes to everyone for a Happy 2008 and remember what Winston Churchill once said.....

"We make a living by what we get but we make a life by what we give."

Cheers,

Joan
