FOUNDATION TALK
FEBRUARY 10, 2008

Hello everyone:

I hope you have all taken the time to look at the statistics for the District, as posted on our Foundation website by our Annual Programs Fund Chair Bashir El-Khalafawi. Here is the link to the statistics: <http://www.rotary5020.org/foundation/stats/apf.pdf>.

Please have a good look at the numbers for your club or clubs and determine what action needs to be taken, if any, particularly to get your club up to speed with contributions to our Foundation. As at December 31st your club should have minimally been at 50% of your club goal. You will note that out of our 86 clubs, 53 have attained 50% or better to date (December 31st). There are some phenomenal numbers out of many clubs, particularly Sidney by the Sea, Oak Bay and Port McNeill. Not surprisingly, these same three clubs have impressive per capita numbers - well done to all of you!

For the clubs that are not quite there yet, please don't hesitate to ask for help or for any ideas that might help you reach your goal! The District Foundation Committee and your Area Representatives are here to help you and provide any resources that will further your club's commitment to our Foundation. Contact information is on the Foundation website at www.rotary5020.org.

Have a great week everyone and remember to Share Rotary!

Cheers,
Joan
