

This week's Rotary Foundation Thought is about how you can make it easy and painless to contribute to the Rotary Foundation.

TRF-DIRECT CANADA makes contributions to The Rotary Foundation easy. With TRF-DIRECT CANADA Electronic Fund Transfer you'll be able to:

- Support the programs of The Rotary Foundation
- Choose your most convenient means of contributing (cheque, savings, credit card)
- Choose your amount and recurring contribution timeline (monthly, quarterly, annually)
- Automate your giving, easily reconcile your bank or credit card statements and save on postage, cheque charges, and envelope costs
- If you use your Rotary MasterCard or American Express, you can also earn additional WorldPoints® at the same time!
- TRF-DIRECT contributions count toward Rotary Foundation Sustaining Member, Paul Harris Fellow and Multiple Paul Harris Fellow, Paul Harris Society, and Major Donor recognition

I will have copies of the forms at our club meetings. If you would like to take this option for making your contributions, see me at a meeting and ask for a form. Once you fill it out, you can send it directly or give it back to me to forward to the Rotary Foundation on your behalf.

Layne

Layne Marshal, Daybreak Rotary Club
