

BEAUTY is a 18 year old Shetland/Mini Cross Pony and is at Laureli Morrison's house for the time being. When she is needed she will be at the barn and of course for the special events; like Easter at the Barn and parades.

JACKSON - Jackson is a leased horse from the Mark Hunter family. He is a very sweet and humble horse who wants to please both his fellow herd members and people. He spent the summer grazing, trail riding and taking it easy. Jackson is a Palomino, 18 years of age and coming out of retirement. So far, he is working well for the riding program. All he wants is attention.

HUEY is 23 years old. He was purchased this summer by the program. Huey has done everything....Competitive Trail Riding, 4-H, Western Performance and Dressage. He is calm, cool and contented. Huey was a star at the Summer Games in Powell River this summer. Presently he is hurt so being nursed back to health as he is missed in the classes.

LICORICE is our draft cross and is truly the back-bone of the program. She is the first ride for many of our past, present and will be, for our future riders. Thank you to Rosemary Webber for finding this wonderful horse and George Town for purchasing her for the Society. This pony has personality plus. What would the program do without her.

MAX is 13 years old. He is a Haflinger (from Austria) and a fun horse to have around. Max is a precocious gelding who is mostly into food. Max is used for the regular program and regularly for Vaulting...which he seems to love. Max was used for Grad in June this year by Eric Gauthier, one of the volunteers. Thanks again to Liz Stubbs for purchasing Max (and helping with his care).

SPONSOR A HORSE! \$100 for a month, \$1200 for a year.....Tax Deductible!
ALL OUR HORSES NEED A SPONSOR—TAKE YOUR PICK
You will get a framed picture of your horse (and a big hug).
