

Dear Mr. Clark,

Your letter that accompanied a very kind and generous donation to the BraveHearts Dragon Boat Team has been forwarded to me from our Secretary, Rebecca Simnor. I understand that you would like some electronic pictures that you can include in your club bulletin and I am only too happy to comply with that request.

Firstly, however, I wish to also extend our gratitude for the very generous donation to our team. As you may know, the BraveHearts Dragon Boat Team is Canada's FIRST Co-ed ALL Cancers team. We have created quite a stir in the Dragon Boat community and have received letters from other groups around the world who have applauded our bringing this rehabilitating sport to anyone who has suffered from cancer, no matter what type of cancer they have had. As a cancer survivor myself, I know I speak for others on our team when I say that the dragon boat has brought me not only physical benefits but emotional ones as well. The supportive environment that we have for all those dealing with their cancer is one of need in our community and the experience has brought a newly formed lease on life for us all. Your contribution allows us to continue to bring this very important and rehabilitative boat to all those in our community who must live with their cancer and find that there is life to still enjoy after cancer.

We extend our heartfelt gratitude for the generosity of the Campbell River Daybreak Rotary Club for their caring and support towards our cause.

Dear Mr. Lengyel,

This short note is to advise you that because of the support shown by your organization in the past towards the North Island Dragon Boat Society (Team, "BraveHearts") we have included you in our acknowledged sponsor link on our website. In addition, we have added your organization website to our "Links" on our website. You can follow our progress at www.dragonboatnet.com/BraveHearts <<http://www.dragonboatnet.com/BraveHearts>> to see how your support is enriching the lives of our cancer survivor members and allowing us to be Canada's FIRST co-ed ALL Cancers Dragon Boat team. Once again, thank you for your support.
